

Association of Municipalities of the Camino de Santiago (AMCS) translates into English and French a summary of Newsletter prepared by Jacobean Council (Consejo Jacobeo), dated June the 16th, 2020, in order to simplify its understanding to all pilgrims interested in learning about most recent situation on St James Way. This translation is unofficial and under authors' responsibility from AMCS Technical Secretariat.

Newsletter on St James Way

And health emergency

SUMMARY

ATTENTION: Jacobean Council recommends not to walk along the St James Way until all its stages are in so-called “new normality”. Mobility is one of most complex aspects of lifting lockdown by its direct relationship to contamination’ probability.

REGULATION: Published Royal Decree establishing some actions concerning health crisis caused by COVID-19 to overcome Phase 3 within the Plan for the transition to a “new normality”.
